

## What Paul Does in his Spare Time

Paul has been a volunteer coach with FC Fremont since 1990. Under his leadership, his teams won numerous tournaments and titles including a Super Y National title in 2002. Who says an attorney is all work and no play?! Paul himself played four years of Varsity soccer at Stanford while he was an undergraduate. His son, Alex, is currently on the Stanford soccer team. During the season Paul is often at Stanford, if not flying up and down the coast to attend the away games.
