

GONSALVES & KOZACHENKO

Gonsalves & Kozachenko is a Proud Sponsor of Youth Baseball

Over the years G&K has sponsored many youth teams. Staff member Tanya Stevenson's husband Jimmy coaches their son Cal's team TABU (10U). Tanya is the team's business manager. TABU Baseball is comprised of 9 and 10 year old athletes, along with a highly supportive group of coaches and parents. The team competes in local, regional, state, and national baseball tournaments. In 2004, their team qualified for the Super Series Winter Nationals, taking fourth place amongst sixteen of the nation's top ranked teams. In 2005, the team qualified for the Triple Crown Summer Nationals and the Super Series Winter Nationals, taking fourth place in each tournament. In 2006, the team headed back to Colorado for the Triple Crown Summer Nationals. In 2007 it was all the way to Cooperstown for the June tournament. The team, now known as the TSB Baseball team, took 2nd place out of 96 teams. Way to go!
